

Huffman Road Reconstruction Project

*Old Seward Highway to
Lake Otis Parkway*

Federal Project No. STP-0534(1)/ADOT&PF Project No. 53933

Old Seward Highway Reconstruction Project

*Brandon Street to O'Malley
Road*

Federal Project No. RS-M-0537(1)/ADOT&PF Project No. 53178

We have completed 75% design drawings for the roundabout at the Old Seward Highway and Huffman Road intersection. Roundabout location and design modifications have been implemented to help mitigate impacts to businesses and major utilities at this intersection. Project coordination is taking place between projects to minimize the overall cost and assure that functionality and safety are maintained during the construction of these projects.

Take a break from holiday shopping and come enjoy a cup of hot apple cider with us. Look over the design drawings for these two projects and provide your feedback to the project team.

Public Meeting / Open House

Thursday, December 14, 2006, 7-9 pm

**Bowman Elementary School, Multipurpose Room
11700 Gregory Road, Anchorage**

For more information, contact:

Anne Brooks, P.E., Public Participation Coordinator
DOWL Engineers, 4040 B Street, Anchorage, AK 99503
907-272-1877, fax 743-6087, comments@brooksandassociates.info

Persons with a hearing impairment can contact Relay Alaska at their Telephone Device for the Deaf (TDD/TTY) number, 800-770-8973 and they will assist in contacting the project team. We are able to offer, upon request, reasonable accommodations for special needs related to other disabilities.
