

2 Projects

Huffman Road Reconstruction Project

Old Seward Highway to Lake Otis Parkway

Federal Project No. STP-0534(1)/ADOT&PF Project No. 53933

The project team continues to refine the drawings for the roadway improvements. Come see the current state of design between Seward Highway and Old Seward Highway.

Old Seward Highway Reconstruction Project

Brandon Street to O'Malley Road

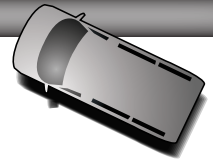

Federal Project No. RS-M-0537(1)/ADOT&PF Project No. 53178

We have completed 75% design drawings for the roundabout at the Old Seward Highway and Huffman Road intersection. Roundabout location and design modifications have been implemented to help mitigate impacts to businesses and major utilities at this intersection.

Project coordination is taking place between these two projects to minimize the overall cost and to assure that functionality and safety are maintained during the construction of these projects.

Take a break from holiday shopping and come enjoy a cup of hot apple cider with us. Look over the design drawings for these two projects and provide your feedback to the project teams.

Public Meeting / Open House

Thursday, December 14, 2006, 7-9 pm

**Bowman Elementary School, Multipurpose Room
11700 Gregory Road, Anchorage**

For more information, contact:

Anne Brooks, P.E., Public Participation Coordinator
Telephone: 907-272-1877, Fax: 743-6087, comments@brooksandassociates.info

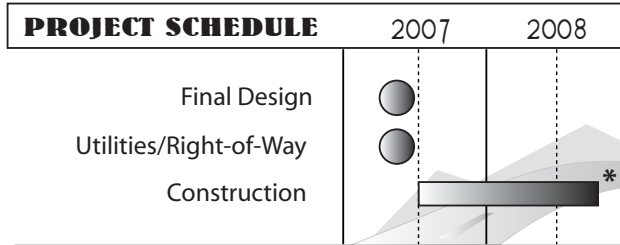

Persons with a hearing impairment can contact Relay Alaska at their Telephone Device for the Deaf (TDD/TTY) number, 800-770-8973 and they will assist in contacting the project team. We are able to offer, upon request, reasonable accommodations for special needs related to other disabilities.

How do I drive roundabouts?

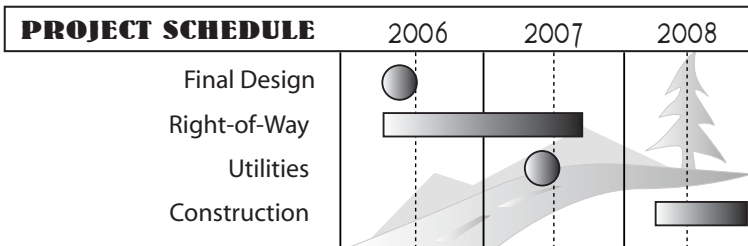

To learn about how to negotiate roundabouts as a driver, a pedestrian or a bicyclist, visit the website:

www.alaskaroundabouts.com

Share this web site with your friends and neighbors. The most frequent concerns expressed by the public regarding the roundabouts is the public's poor grasp of how to properly use them. The web site has animations to illustrate these maneuvers.
